## COMMODORE'S REPORT

Well spring is in full swing, and summer is just around the corner. Now that summer is nearly here, dont forget to slip, slop, slap and wear your hat.

We have an exciting year ahead, starting with our Wellington Anniversary Competition. This will be a week long fishing competition, for club members only, which has proven to be a great success. Cards to be placed in the entry box like last time, and to claim your prize you MUST be at the prize giving. Please note that a photo may be called upon for verification.

Next in line we are hosting the Masters Games again in 2023, this was also a great success two years ago. We will also be hosting the Totally Vets competition on April the 1st.

Please remember to support our sponsors, we are very thankful for them and couldnt run these competitions

without them. Just a reminder also to look after the club. Please ensure that you lock the clubrooms after you have finished and keep everything clean and tidy, and scan in and out of the club rooms.

The boat ramp is going to be busy this summer, please be patient and courteous. Ensure your boat is ready before entering the ramp area and please dont block the boat wash area and exit area at the clubrooms. A reminder to keep a close eye on those tides, there have been a few boats stuck in the mud!

Please ensure that your Coastguard membership is also current. If you are not a member, I encourage you to join and support them as they provide a fantastic service. When you do call Coastguard, please remember to log out of your trip report when you come home. Both myself and the rest of the committee would like to wish you a very merry Christmaas, and a good upcoming fishing season.
