COMMODORE'S REPORT

Here we are again at the end of another year. Once again it has been a very hard year with covid restricting us. Despite these ongoing interruptions membership continues to rise, and the fishing has been amazing. There has also been a few charter and private fishing trips that individual club members have organised, this year which has been a lot of fun.

The club has hosted 2 competitions this year, and the annual vet competition also went ahead. The club has also updated our website and facebook page which has been a great addition that has received several positive comments.

The committee wishes to remind members about the changes to some rules. MPI have made changes to the new fish daily bag limit and this information is available on their website. There has also been a change to our current rules for weighing in fish, which now includes having a photo available if requested. Please also remember to fob in and out when you enter and leave the club rooms to keep our premises secure.

Having salt ice available has been a great addition to the club this year and has been well supported by club members. We look forward to keeping this, and remind all members that this is based on a honesty system. The club rooms look great, and we would like to thank Ryan Tapa from image audio and security for our newly tinted windows.

I would also like to thank Rodney Calman, from Calman Engineering, for fitting a cover over our fob reader on our boat wash so that it is now protected from the elements. Also we would like to thank Paul McKee of Bobcat Services for the section maintenance. Along with Paul Berry for his contribution.

We are excited to announce that we will be hosting a social evening and will have Bill Hohepa as our guest speaker. Date to follow.

The committee is excited about the upcoming year and are optimistic that this season is one to look forward to. Spring is not too far away, and I know that I am very excited to get some lines in the water in the not too distant future.

LEADERBOARD RULE UPDATE

Congratulations to the winners from our WMSFC 2021-2022 Leaderboard!

A new year has started, please take note of our updated rules:

1. Scales MUST be set to zero before weighing fish.
2. All fish MUST be caught on a fishing rod or hand line.
3. Fish MUST NOT BE caught on set line, by net, or speargun.
4. All fish MUST be caught on the day of entry into the book and witnessed on that day.
5. All fish MUST be caught by a financial club member, and NOT a passenger.
6. Family members or passengers who are NOT a club member may NOT enter fish into the book.
7. Anyone on the boat or from another boat can witness the fish for the financial club member weighing in their fish, it has to be witnessed by someone other than the person who caught the fish.
8. You MUST have launched from the Wharf Street Slipway.
9. A picture of the fish caught on our clubroom scales will be required, No picture - No prize.

Daily Bag Limit Changes

In May 2022 the daily bag limit for recreationally caught fish changed. All fin-fish, including those with individual species limits, are now part of the combined daily limits. It is important that you familiarise yourself with these rules.

You can go online to the MPI website or download "The NZ Fishing Rules App" on your phone for all information.
